

Love Casts Out Fear

Words and Music by **Andrea Thomas, Beau Maddox**

Verse

Key - F

F

Dm

Yeah the enemy has to flee when your love comes over me

Bb

F

In the darkest of night You come with the light and restore my identity

F

Dm

You break every lie I believe now the truth is all I see

Bb

F

I'm not a pauper but a prince not a slave but a friend indeed

Chorus

F

And your love casts out all my fear

Dm

Yeah your love casts out all my fear

Bb

And I won't be afraid no, no, no

F

No I won't be afraid

*Bridge***F**

We're gonna dance, dance, dance til the joy comes

Dm

We're gonna dance, dance, dance til the joy comes

Bb

We're gonna thank You Lord for all You've done

F

We're gonna thank You Lord
